

Hualien Hotel

Train Station

This budget-friendly space around the railroad terminal is wherever you may notice most of the hostels and cheap accommodations. That being the same, you're a hearty 20-30 minute walk into downtown for many of the action. Not ideal in hot summer heat or within the time of year. Taxi's to downtown square measure solely \$100 TWD every method however after all these will add up if you are doing it plenty. Their square measures some tight restaurants within the railroad terminal space however nothing compared to the range downtown. If value and proximity to trains is your priority, there square measure many cheap places to settle on from during this neighborhood.
